→ IMPORTANCE OF ETHICS IN ISLAM:-

Ethics (Akhlaq) holds a Central position in islam. It's not just part of religeon, but the foundation of Muslim's Character, Behaviour, and relationship with ALLAH (SWT) and society.
Islam teaches that faith (Iman) is incomplete without good character and moral conduct.

• ETHICS AS CORE OF ISLAM:

Islam is not only about worship (Prayer, Fasting etc), but also about how a person behaves with others.
The Prophet Muhammad (PBUH) said:

"I was sent to Perfect good Character"

This shows the mission of Muhammad was strongly connected with Moral Excellence.

CamScanner

A Muslim is Expected to Show honesty, Kindness, Patience, forgiveness and Justice in all Aspects of life.

- **ETHIS STRNGTHEN FAITH (IMAN):**

Good character reflects Strong faith. In Quràan Allah (SWT) repeatedly commands believers to act Justly, Speak Truthfully and treat others with Compassion. Ethical behaviour is a sign of true belief.

For example,

1) Speak the truth even in difficult Situations.
2) Keeping Promises.
3) Avoid Cheating and lying.
4) Showing Respect to parents and elders.

without Ethics, religious practices lose their real value.

- **Social Harmony and Justice:**

ISLAMIC ethics promote peace and stability in society. Principles like justice (Adal), equality and Brotherhood ensure fairness for all.

The Qura'n emphasizes justice even if it is against oneself. Ethical behaviour

- Reduces corruption.
- Build trust in business and relationships.
- Promotes unity and Brotherhood.

This creates strong and Balanced society.

- **ACCOUNTABILITY IN THE HEREAFTER:**

Islam teaches that every action has consequences. On the day of judgment. People will be accountable for their deeds.

- Good Character and morals will be rewarded.
- The Prophet (PBUH) said that the heaviest thing on the scale on the day of judgment will be good character.

This shows how highly islam values Ethics.

- **PERSONAL DEVELOPMENT AND SELF-CONTROL:**

Islamic Ethics train a person to Control desires and avoid harmful actions.

Qualities like:

1) Patience (صبر)
2) Gratitude (شكر)
3) Humility
4) Forgiveness

help is Building a Strong personality and emotional Balance

- **ETHICS IN ALL AREAS OF LIFE:**

Islamic ethics apply to:

1) Family life (kindness to spouse & Children)
2) Business (Honesty and fairness in trade)
3) leadership (justice and Responsibility)
4) Friendship (royalty and fairness)

Thus Ethics in Islam are universal and Practical.

CONCLUSION :-

In conclusion, Ethics in islam are the Foundation of successful individual and and a peaceful society. They guide a Muslim in every action - wether in private of Public, and help maintain Balance Between Spiritual duties and social responsibilities. Islam teaches that true success is not measured only by wealth, power or status, but by righteousness and Moral character.

A Person who follows islamic ethics earns the pleasure of Allah and respect of people. Good character strengthens relationships, removes hatred, builds trust and spreads harmony in community. It also protects society from corruption, injustice, dishonesty & Moral decline.

CamScanner

Ultimately, Islam emphasizes that worship without good character is incomplete.

A Muslim's prayer, fasting and charity must reflect in their behaviour, speech and treatment of others. The true beauty of islam shines through honesty, patience, humility, forgiveness and compassion.

Therefore, Ethics in islam are not merely recommended, they are essential for both worldly success and eternal salvation.

A society built on islamic moral values becomes strong, united and spiritually elevated.
